LEASE ASSIGNMENT

ASSIGNMENT OF LEASE AND AGREEMENT dated as of September 30, 1986 (hereunder called this Assignment), by and between ITEL RAIL CORPORATION, a Delaware corporation (the "Borrower"), and HELLER FINANCIAL, INC., a Delaware corporation (the "Secured Party").

WITNESSETH:

WHEREAS, the Secured Party has entered into a Loan and Security Agreement (hereinafter called the "Loan Agreement") of even date herewith with the Borrower, pursuant to which the Secured Party has agreed to lend to the Borrower, subject to the terms and conditions of the Loan Agreement, up to Eighty Million Dollars (\$80,000,000); and

WHEREAS, the Borrower has entered into certain leases and subleases identified in Exhibit A hereto (individually a "Lease" and collectively the "Leases") with the respective parties identified therein (individually a "Lessee" and collectively the "Lessees"); providing for the leasing by the Borrower to the Lessees of units of rolling stock which the Borrower has granted the Lender a security interest pursuant to the terms of the Loan Agreement (the "Rolling Stock"); and

WHEREAS, the Leases may also cover the leasing to the Lessees of units of rolling stock with respect to which the Borrower has not granted to the Lender a security interest, which units of rolling stock are identified on Exhibit B hereto (the "Excluded Rolling Stock"); and

WHEREAS, in order to provide security for the obligations of the Borrower under the Loan Agreement, the Borrower agrees to assign for security purposes its rights to and under the Leases to the Lender except to the extent that the Leases relate solely to Excluded Rolling Stock;

NOW, THEREFORE, in consideration of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto hereby agree as follows:

1. The Borrower hereby assigns, transfers and sets over to and unto the Lender, as continuing collateral security for the payment and performance of the Borrower's obligations under the Loan Agreement, all of the Borrower's rights, title, and interest, powers, privileges, and other benefits under the Leases except as identified on Exhibit A and except to the extent that any Lease relates to Excluded Rolling Stock (in which case the

assignment with respect thereto shall only be to the extent that such Lease relates to Rolling Stock), including, without limitation, all rights to all rentals, profits, and other sums payable to or receivable by the Borrower from the Lessees or otherwise under or pursuant to the provisions of the Leases whether as rent, casualty payment, indemnity, liquidated damages, or otherwise, except to the extent that the same are payable in respect of Excluded Rolling Stock, (such moneys being hereinafter called the "Payments"). In furtherance of the foregoing assignment, transfer and setting over, the Borrower hereby irrevocably authorizes and empowers the Lender in its own name, in the name of its nominee, or in the name of the Borrower or as its attorney, after the occurrence of an Event of Default under the Loan Agreement, to ask, demand, sue for, collect, and receive any and all the Payments to which the Borrower is or may become entitled under the Leases, and to enforce compliance by the Lessees with all the terms and provisions thereof. The Lender's pro rata rights to Payments under any Lease covering both Rolling Stock and Excluded Rolling Stock (a "Mixed Lease") shall be governed by the following formula:

Whenever a Lease constitutes a Mixed Lease, and the amount of any payment due to the Borrower under such Lease as car hire payments (including both straight and incentive per diem), mileage charges, or other rental revenues is calculated on an aggregate basis for all equipment leased thereunder, for the purposes of this Assignment an amount equal to the Assigned Fraction (as hereinafter defined) of each such payment shall be deemed to be payable with respect to such Rolling Stock leased under such Lease. The term "Assigned Fraction" as used herein shall mean a fraction, the numerator of which shall be the number of units of equipment comprising such Rolling Stock leased under such lease and the denominator of which shall be the aggregate number of units of equipment (including units of Rolling Stock and Excluding Rolling Stock) at the time leased under such Lease.

Notwithstanding the foregoing, if the use of the above formula with respect to any Mixed Lease contravenes the terms of the Borrower's financing documents with another creditor with respect to the Excluded Rolling Stock subject to such Mixed Lease, the amount of the Payments to which the Lender shall be entitled under such Mixed Lease shall be determined by the actual amount of Payments derived from or attributable to the Rolling Stock subject to such Mixed Lease.

2. This Assignment is executed only as security for the obligations of the Borrower under the Loan Agreement and, therefore, the execution and delivery of this Assignment shall not

subject the Lender to, or transfer, or pass, or in any ways affect or modify, the liability of the Borrower under the Leases, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Borrower to the Lessees shall be and remain enforceable by the Lessees, their respective successors and assigns, against, and only against the Borrower or persons other than the Lender.

3. To protect the security afforded by this Assignment, the Borrower agrees as follows:

(a) The Borrower will faithfully abide by, perform, and discharge each and every obligation, covenant, and agreement in all material respects which the Leases provide is to be performed by the Borrower subject to the right of the Borrower to amend or terminate one or more of the Leases in accordance with subsection 8.9 of the Loan Agreement;

(b) At the Borrower's sole cost and expense, the Borrower will appear in and defend and at its discretion litigate or settle every action or proceeding against the Borrower arising under, growing out of, or in any manner connected with the obligations, duties, or liabilities of the Borrower under the Leases;

(c) Should the Borrower fail to make any payment or to do any act which this Assignment requires the Borrower to make or do, then the Lender may, but without obligation so to do, and without releasing the Borrower from any obligation hereunder, make or do the same in such manner and to such extent as the Lender may deem necessary to protect the security provided hereby, including, without limitation, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Lender, and also the right to perform and discharge each and every obligation, covenant, and agreement of the Borrower contained in the Leases, and in exercising any such powers, the Lender may pay costs and expenses, employ counsel, and incur and pay attorneys' fees, and the Borrower will reimburse the Lender for such costs, expenses and fees; and

(d) The Borrower shall not amend or terminate any Lease other than in compliance with subsection 8.9 of the Loan Agreement. The Borrower shall not remark any item of Rolling Stock other than in compliance with subsection 5.2 of the Loan Agreement.

4. Upon the full and final discharge and satisfaction of all of the Borrower's obligations under the Loan Agreement and this Assignment, all rights herein assigned, transferred and set over to and unto the Lender shall terminate, and all estate, right, title, and interest of the Lender in and to the Leases shall revert to the Borrower.

5. The Borrower will, from time to time, do and perform any other act and will execute, acknowledge, and deliver and file, register, deposit, and record (and will refile, reregister, rerecord, or redeposit whenever required) any and all further instruments required by law or requested by the Lender in order to confirm or further assure the interests of the Lender hereunder.

6. If an Event of Default shall occur and be continuing under the Loan Agreement, the Lender may assign all or any of the rights assigned to it hereby or arising under the Leases, including without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Lender hereunder.

7. The provisions of this Assignment shall not be deemed to restrict or otherwise limit in any respect any rights granted to the Lender in or with respect to the Leases pursuant to the Loan Agreement. In the event any term or condition hereof is inconsistent with any term or condition contained in the Loan Agreement, such term or condition contained in the Loan Agreement shall be deemed controlling.

8. This Assignment shall be governed by the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names, by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.
